

## Title

Authors:

Editors:

month, year

Intro paragraph

## Section Header

- Relay information in bullets

## Section Header

- Relay information in bullets

## Policy Considerations

A few sentences to tie everything together and introduce the policy considerations.

### Consideration 1:

- **[implementation strategy for the suggestion]** rest of sentence(s).
  - Clarifying information

### Consideration 2, 3, etc.

- **[implementation strategy for the suggestion]** rest of sentence(s).
  - Clarifying information

## References

- Only include if needed, try to embed (ie hyperlink) citations when possible. If there are ~2 articles that policymakers *must* know about, you can include them here
- May change section title to “Resources” if there are important resources, etc. to feature as opposed to articles.
- May also use footnotes as an alternative
